## PETER CHIPPING: SCRIPTED DIRECTOR

07974 643348      peter.chipping@gmail.com      London & Newcastle

Safe, creative, on time and on budget. Single & multi camera studio and location.

With a background in directing true stories into compelling multi-stranded television in drama and drama/documentaries, I truly love storytelling. Some have included big stunts and special effects, but I really enjoy directing longer length multi-character stories.

Revel working with development teams, but occasionally indulge in a documentary.
